International Conferences

11. Loganathan A, Hemalatha R and Dr.S.Radha, “Efficient image encoding technique for wireless sensor networks using compressed sensing”, in the proceedings of International conference on Advancement in Engineering and Technology (ICAET 2013), April 6th, Vol-2, pp. 174-181. (Dr.MGR Educational and Research Institute University, Chennai)

45. S. Radha and S. Shanmugavel, “Node Transition Probability based Routing Algorithm for Mobility Models in Mobile Ad hoc Networks” has been accepted for the International Conference on 3GWireless 2002, USA.

National Conference:
