

**Submission for the Feedback on the effectiveness of the
Visvesvaraya PhD Scheme for Electronics and IT**

You would be aware that Visvesvaraya PhD scheme for Electronics & IT was launched one and a half years ago with the objective of enhancing the no. of PhDs in ESDM and IT/ITES sectors of the country.

We hope that the scheme has made good progress towards achieving its objectives so far. We would be grateful if you could kindly share your feedback about the usefulness and efficacy of the scheme.

Feedback could be shared in text form over email (phdscheme@medialabasia.in).

A quick response will be appreciated greatly.
