

## **Regarding direct registration of Part Time PhD candidates**

Few months ago, applications were invited for “Visvesvaraya PhD scheme for Electronics & IT” from the Part Time PhD candidates enrolled for PhD after launch of the scheme (i.e. after 4th March, 2014). In this connection, application(s) was/were received for Part Time PhD candidate(s) on PhD portal of Visvesvaraya PhD scheme under Part Time PhD Registration. Further, PhD cell contacted the Institutions with a request to confirm the details of these candidates.

Subsequently, the proposal(s) was/were discussed at MeitY and it has decided that the Institution may seek support for these candidates under the scheme by submitting a proposal accordingly.

In view of above, such candidates are advised to contact the Institution, where they are registered for their Part Time PhD programme.
