

Submission of demand for the next installment by supported institutions

All supported Institutes (supported under Visvesvaraya PhD Scheme for Electronics & IT) are requested to submit the demand for the next installment of funds in timely manner to PhD Cell, Media Lab Asia.

The prescribed application formats for the same could be obtained by sending an e-mail to phdscheme@medialabasia.in.

Kindly note that, after the grant of approval under the Scheme, the first installment containing the following three components for full-time PhD candidates

- 6 months fellowship
- 50% of annual contingency grant
- 50 % of annual institute overhead

is released to a supported institute as advance after the acceptance of Terms and conditions received from Institutions

All subsequent installments (of funds) are released to the institute only on the submission of demands by it (the institute) to PhD Cell, Media Lab Asia.

We request you to please make all efforts to ensure the timely release of funds to the candidates enrolled under the scheme to avoid hardship to them. In case there is any shortage of funds under the scheme at your institute, or even if such shortage is anticipated in near future, kindly submit the request for release of funds to PhD Cell well in advance to avoid such situation.

In case you need an assistance, please contact us.
